

**MAHARASHTRA INDUSTRIAL DEVELOPMENT CORPORATION**  
**(A Government of Maharashtra Undertaking)**

**CIRCULAR NO.Dy.CEO (Env.)/C76823 /of 2017**

**Sub :- Constitution of environment cell & environment  
Committee for environment clearance to building &  
construction projects in MIDC areas in Konkan  
& Pune Division.**

**Ref :-** 1) MoEF & CC's notification dated 09/12/2016.  
2) Urban Development Department, Govt. of Maharashtra  
notification dated 13/04/2017.  
3) Urban Development Department, Govt. of Maharashtra  
notification dated 28/06/2017.  
4) MoEF & CC's order dated 07/07/2017.

MoEF&CC has, sanctioned the amendment for incorporating Integration of Environment conditions in the building bye laws vide notification dated 09/12/2016. Further UDD, Govt. of Maharashtra vide notification dated 13/04/2017 has directed to incorporate the environmental norms/environmental safeguards, to be adopted for all buildings and constructions having built up area 5000 Sq.mt. to 1,50,000 Sq.mtr. in the Development Control Regulations of the respective Planning Authorities as specifically mentioned in the said notification.

As UDD, Govt. of Maharashtra has issued Notification dated 28.6.2017, the MoEF&CC vide Notification dated 7.7.2017 has ordered that no separate environmental clearance is required for building and construction projects up to 150,000 sq.mtr. built-up area in respect of all Municipal Corporations, Municipal Councils, and all Special Planning Authorities in Pune and Konkan Divisions.

The Authority competent to grant the building permission will integrate the environmental clearance conditions in the same order based on the recommendations of the Environmental Cell, following the process as envisaged under the notification.

According to this notification, for environment clearance of building & construction projects from 5,000 Sq. mtr. to 1,50,000 sq.mtr., in MIDC areas in Konkan & Pune Division, MIDC has constituted the Environment Cell and Environment Committee as under.
