

## FDI (Foreign Direct Investment) in Maharashtra

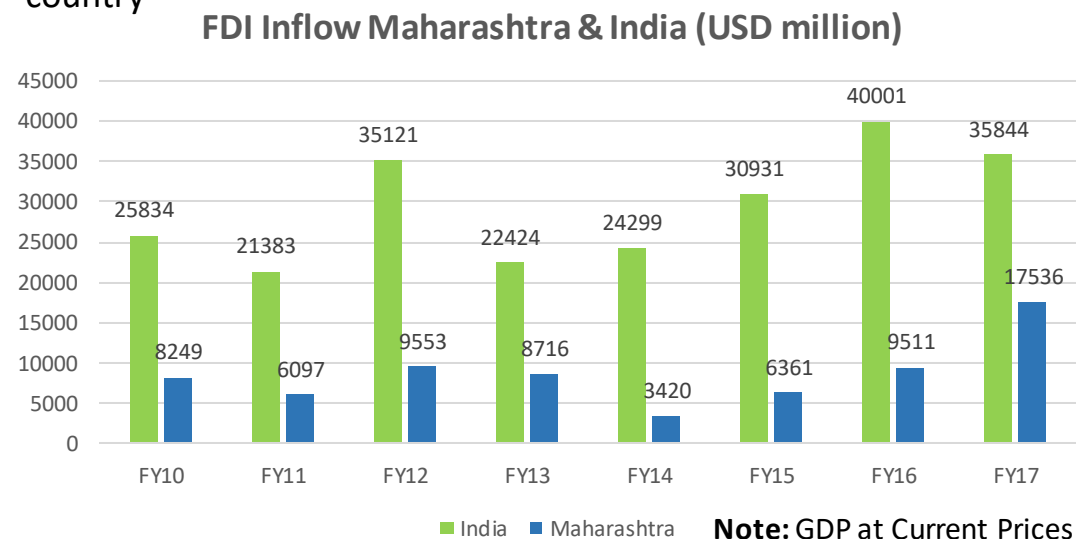

The United Nations Conference on Trade and Development (UNCTAD) has estimated that for the second consecutive year, India has outstripped the US (\$58 billion) and China (\$62 billion) with greenfield inward FDI announcements at \$63 billion. This means Maharashtra got \$29 billion FDI – 46 per cent of the total FDI – in 2016.

Maharashtra has always been the leader in terms of FDI inflow in the country. The cumulative FDI inflows in the state since April 2000 – September 2017 is 6,11,760 crores.

The graph below shows comparison between India and Maharashtra in terms of GDP in USD \$ billion for multiple year. Maharashtra contributes to ~15% of India GDP on an average

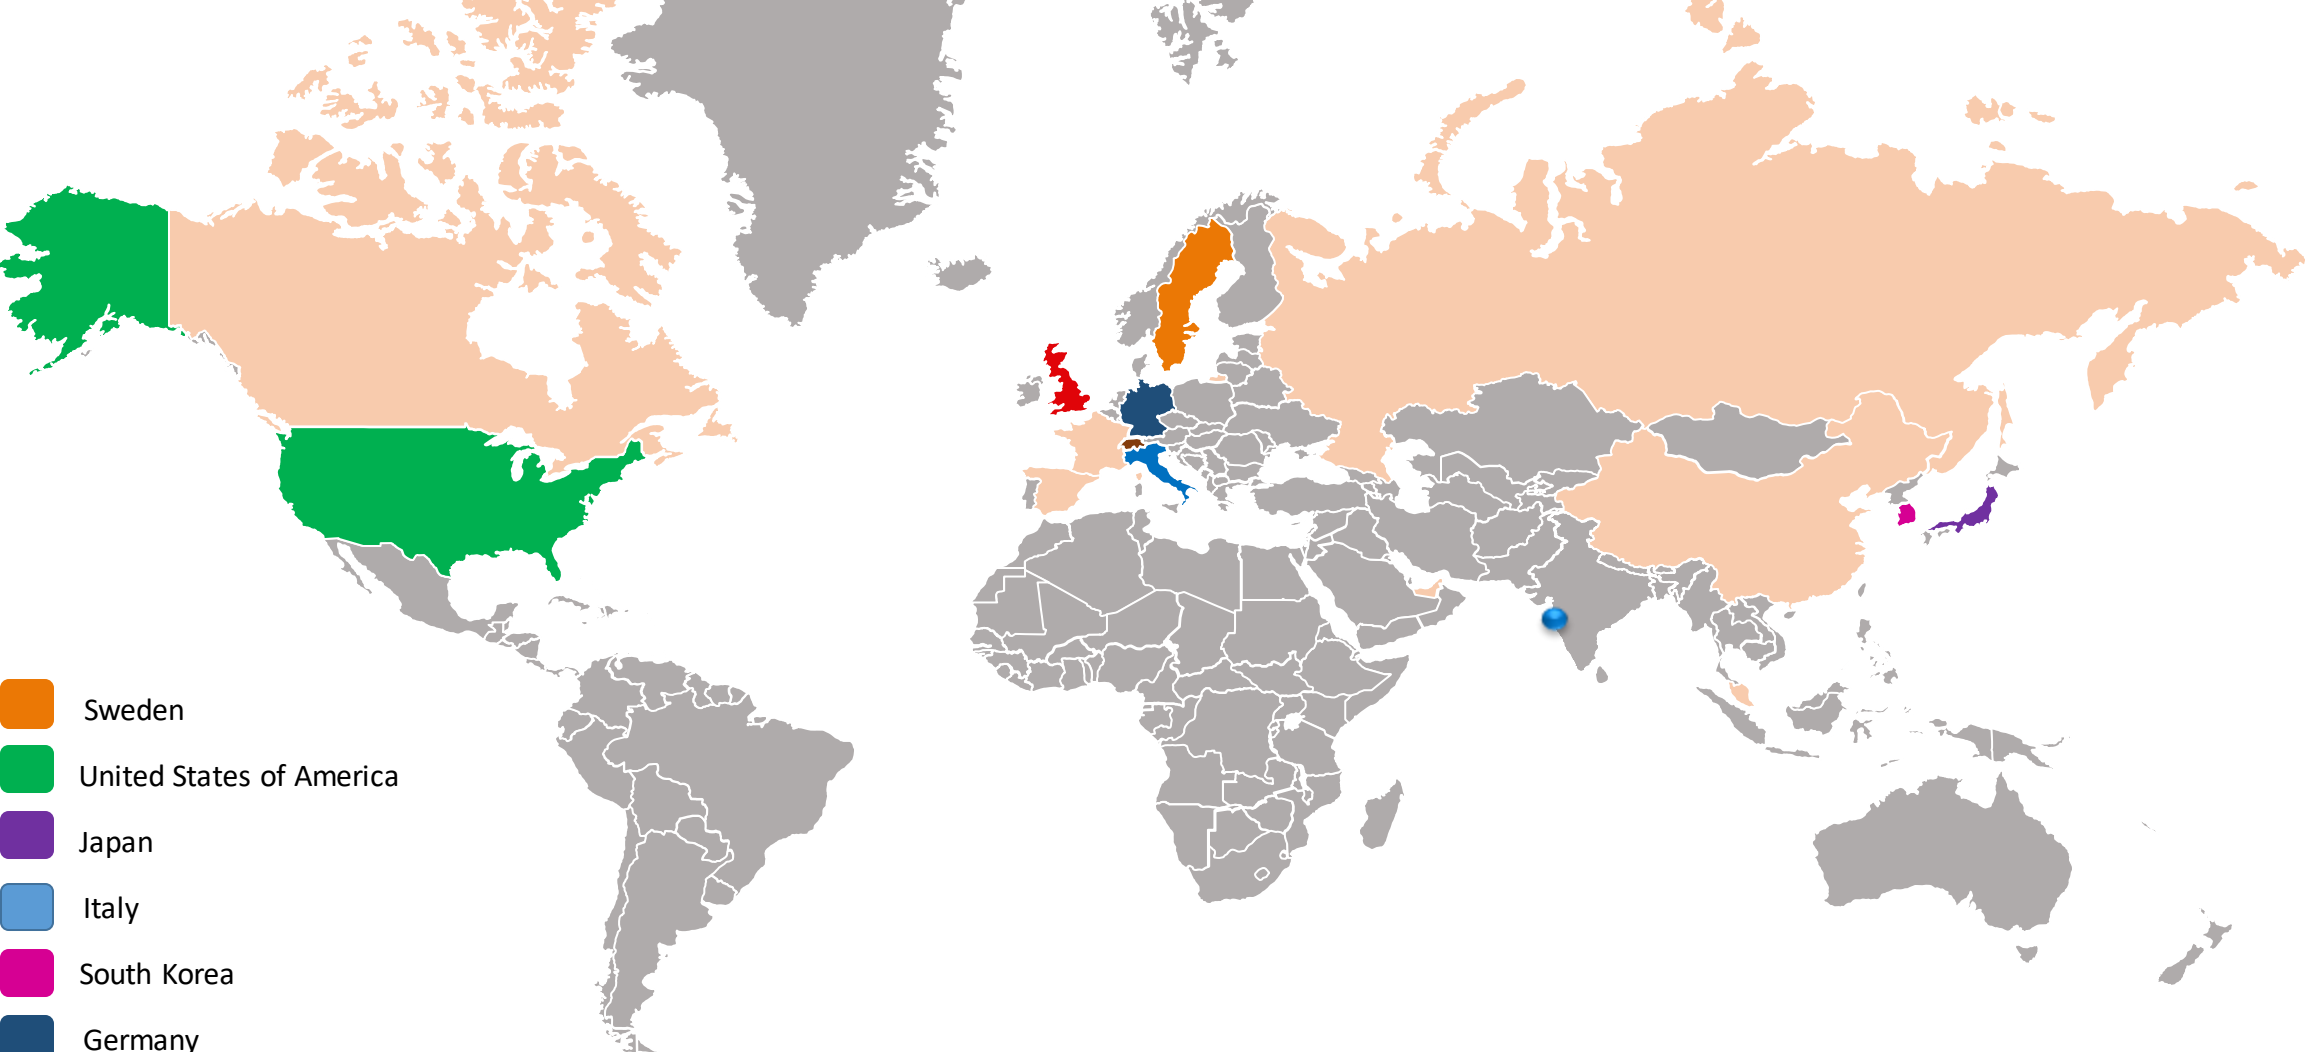

The graph below shows the comparison between India and Maharashtra in terms of FDI inflow in USD million for multiple year. Maharashtra currently accounts for 49% of total FDI inflow in the country

The continuous inflow of FDI in the state is result of several initiatives taken by the government for Ease of Doing Business (EoDB), policies, quality infrastructure, encouragement and skilled manpower.
