**Additional Conditions for SEZ Plots**

1. This SEZ reserved for only Engineering Products.
2. Applicant have to obtain 'Letter of Approval' from the competent authority (D.C. SEEPZ).
3. To enable the corporation to make final allotment of land, applicant should submit thier application to D.C. SEEPZ for obtaining the letter of approval. The letter of Approval should be obtained within a period of 3 months from the date of receipt of this Offer letter. The request of extension for obtaining the letter of approval shall be governed by the Corporations Policy in this regard, prevailing from time to time.
4. Applicant will have to follow all the rules and regulations of MIDC as the Developer and Planning Authority for the said SEZ.
5. Applicant will have to abide by Rules and Regulations of SEZ Act 2005-06 and any other directions issued by D.C. SEEPZ as well as Corporations policies prevailing from time to time.
6. Applicant should pay every year Rs. 16/- Per Sq.Mtr. as SEZ Administrative Charges and Rs. 27/- Per Sq. Mtr. As SEZ Service Charges to the Corporation without any deduction.
7. In the event the power requirement of the Licensee is more than 5 MVA, the Licensee shall provide space within the demised premises of an area having a minimum size of 80 x 100 mtrs. and shall at its own costs construct the EHV-132/220 KV Sub-Station and for that purpose the Licensee shall plan the land requirement considering the land requirement of EHV Sub-Station.
8. If any common effluent plant is setup by MIDC or the Co-Developer, applicant will have to become member of it.
9. Applicant have to obtain Environment Clearance as per notification dated 14/09/2006 if necessary.
10. Applicant have to submit Environmental Management Plan.
